1. The Falmouth Summer Session is designed for students who wish to learn. Appropriate behavior and dress, as outlined in the Falmouth High School Student Handbook, will be enforced.
2. Students must have earned a minimum grade of **45** in the original class for which they are seeking credit recovery. Guidance Counselors and/or School Administrators will need to sign to denote final approval on the student registration form.

A student who is more than 15 minutes tardy for a class will be considered absent unless that student has a signed excuse from the Director. Three tardies (arrivals to class within the first 15 minutes) to any class will result in one absence.
5. Class time lost through **authorized** absences may be made up with the Director's approval.
6. Students will be expected to put forth their best effort in class work and in completing all assignments.
7. No food or drinks are allowed in the computer labs.
